

# Set Sail on a Magical Vacation.

(and get an Onboard Credit, too!)

Take a long deep breath of fresh sea air. Gaze upon a blue you never knew existed. Soak in the magical time that can only be had on a Disney cruise. Kids' imaginations set sail on a world of wonder and enchantment. And while they're having the time of their lives, you'll have time to relax and enjoy each other. But the real magic happens when you come together as a family to enjoy spectacular fireworks, original Disney stage shows, and a visit to Disney's exclusive island, *Castaway Cay*. It's all part of what makes a Disney cruise perfect for everyone—especially you.

And, by booking between **October 14 - 28, 2009**, you'll enjoy an onboard credit that can be used for merchandise, photography, spa treatments, shore excursions and other onboard activities. **Be sure to ask for booking code WLCN.**
